ORDINANCE NO. 13-O-06

AN ORDINANCE AMENDING TITLE X, TRAFFIC, BY AMENDING  
CHAPTER 28, TRAFFIC LAW ENFORCEMENT SYSTEMS, OF THE  
VILLAGE CODE OF THE VILLAGE OF SUMMIT

BE IT ORDAINED by the Mayor and Board of Trustees of the Village of Summit,  
Cook County, Illinois, as follows:

Section 1

That Title X, Traffic, of the Village Code of the Village of Summit, be amended by  
changing Chapter 28, Traffic Law Enforcement Systems, to read as follows:

CHAPTER 28

TRAFFIC LAW ENFORCEMENT SYSTEMS

SECTION:

- 10-28-1: Definitions
- 10-28-2: System Established
- 10-28-3: Authorization for Agreement
- 10-28-4: Administrator
- 10-28-5: Automated Traffic Law Violation
- 10-28-6: Violation Notice
- 10-28-7: Hearing
- 10-28-8: Final Determination of Liability
- 10-28-9: Determination Notice
- 10-28-10: Petition to Set Aside Determination
- 10-28-11: Suspension Notice
- 10-28-12: Driver's License Suspension
- 10-28-13: Challenging the Accuracy of a Certified Report
- 10-28-14: Penalty

10-28-1: **DEFINITIONS:** As used in this chapter, words or terms shall have the  
following meaning unless the context or usage clearly indicates another meaning was  
intended:

**ADMINISTRATOR:** the Village's traffic control administrator.

**AUTOMATED TRAFFIC LAW ENFORCEMENT SYSTEM:** a device within the Village  
of Summit with one or more motor vehicle sensors working in conjunction with a red

light signal to produce recorded images of motor vehicles entering an intersection against a steady or flashing red signal indication in violation of Section 11-306 of the Illinois Vehicle Code ("Code"), 625 ILCS 5/11-306, or similar violation of the Village Code for the Village of Summit. The automated traffic law enforcement system shall not be used to enforce speed regulations.

**AUTOMATED TRAFFIC LAW VIOLATION:** a "disregarding a traffic control device" violation or a "no turn on red" violation, as those terms are defined in this section.

**CERTIFIED REPORT:** a report to the Illinois Secretary of State concerning five (5) or more unpaid fines or penalties for automated traffic law violations made by the Village to the secretary in accordance with Section 6-306.5 of the Code.

**CODE:** Illinois Vehicle Code, 625 ILCS 5/1-100, *et seq.*

**DETERMINATION NOTICE:** a notice of final determination of an automated traffic law violation liability issued pursuant to Section 11-208.3 of the Code and pursuant to the provisions of this chapter.

**DISREGARDING A TRAFFIC CONTROL DEVICE:** a failure to stop and remain stopped before an intersection that is controlled by a red signal as provided for in Section 11-306 of the Code. Disregarding a traffic control device, for purposes of the automated traffic law enforcement system, shall not include: 1) those instances when a motor vehicle comes to a complete stop and does not enter the intersection, as defined by Section 1-132 of the Code, during the cycle of the red signal unless one or more pedestrians or bicyclists are present, even if the motor vehicle stops at a point past a stop line or crosswalk where the driver is required to stop, as specified in Section 11-306(c) of the Code, or similar violation of the Summit Municipal Code; or 2) those instances where a motorcyclist enters an intersection against a red signal indication when the red signal fails to change to green within a reasonable period of time because of a signal malfunction or because the signal has failed to detect the arrival of the motorcycle due to the motorcycle's size or weight.

**NO TURN ON RED:** a failure to stop and remain stopped, and not proceeding to turn right at, an intersection controlled by both a sign indicating "No turn on red," or other similar language, and a red signal as provided for in Section 11-306 of the Code.

**RECORDED IMAGES:** images showing the time, date and location of an automated traffic law violation recorded by an automated traffic law enforcement system on two (2) or more photographs; two (2) or more microphotographs; two (2) or more electronic images; or a video recording showing the motor vehicle and, on at least one (1) image or portion of the recording, clearly identifying the registration plate number of the motor vehicle.

SECRETARY: the Illinois Secretary of State.

SUSPENSION NOTICE: a notice of impending driver's license suspension issued pursuant to Section 11-208.3 of the Code and pursuant to the provisions of this chapter.

VILLAGE: the Village of Summit, Cook County, Illinois.

VIOLATION NOTICE: an automated traffic law violation notice issued pursuant to Sections 11-208.3 and 11-208.6 of the Code and pursuant to the provisions of this chapter.

10-28-2: **SYSTEM ESTABLISHED:** There is established within the Village an automated traffic law enforcement system program.

- (A) The Village shall have the discretion to locate individual automated traffic law enforcement systems at such intersections as may be deemed appropriate.
- (B) An intersection equipped with an automated traffic law enforcement system shall be posted with a sign visible to approaching traffic indicating that the intersection is being monitored by an automated traffic law enforcement system.
- (C) The Village shall provide notice to drivers on its website of the location of all intersections equipped with an automated traffic law enforcement system. Any intersection equipped with an automated traffic law enforcement system shall have a yellow change interval that conforms to the Illinois Manual on Uniform Traffic Control Devices (IMUTCD) published by the Illinois Department of Transportation.
- (D) The Village shall conduct a statistical analysis to assess the safety impact of each automated traffic law enforcement system at an in intersection following installation of the system. The statistical analysis shall be based upon the best available crash, traffic, and other data, and shall cover a period of time before and after installation of the system sufficient to provide a statistically valid comparison of safety impact. The statistical analysis shall be consistent with professional judgment and acceptable industry practice. The statistical analysis also shall be consistent with the data required for valid comparisons of before and after conditions and shall be conducted within a reasonable time period following the installation of the automated traffic law enforcement system. If the statistical analysis for the thirty-six (36) month period following installation of the system indicates that there has been an

increase in the rate of accidents at the approach to the intersection monitored, additional studies shall be undertaken to determine the cause and severity of the accidents, and the Village may take any action that it determines is necessary or appropriate to reduce the number or severity of the accidents at the intersection.

10-28-3:     **AUTHORIZATION FOR AGREEMENT:** Any agreement entered into by the Village and a third-party for the design and implementation of a automated traffic law enforcement system, or services related thereto, shall be approved by the Corporate Authorities of the Village. The compensation paid for an automated traffic law enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or revenue generated by the system.

10-28-4:     **ADMINISTRATOR:** There is hereby established the office of Administrator, which shall be filled by appointment of the Mayor with the advice and consent of the Board of Trustees. The Administrator, or his or her designee, shall be authorized to adopt, distribute and process violation notices and other notices required by this chapter and the Code, collect money paid as fines and penalties for automated traffic law violations, and administer the administrative adjudication system for automated traffic law violations. The Administrator is also authorized to draft and issue any certified reports to the Illinois Secretary of State as required by this chapter and the Code. The Administrator shall make the recorded images of a violation accessible to a alleged violator by providing the alleged violator with a website address, accessible through the Internet.

10-28-5:     **AUTOMATED TRAFFIC LAW VIOLATION:** It shall be unlawful to "disregard a traffic control device" or violate a "no turn on red" as those terms are defined in this chapter.

10-28-6:     **VIOLATION NOTICE:**

- (A) When the automated traffic law enforcement system records a motor vehicle violating Section 10-28-5 of this Chapter, the Administrator shall issue a written Violation Notice to the registered owner of the vehicle, which shall be delivered by U.S. mail within thirty (30) days after the Illinois Secretary of State notifies the Village of the identity of the registered owner of the vehicle, and in no event later than ninety (90) days following the violation. If any notice to an addressee is returned as undeliverable, a second notice shall be sent to the last known address recorded in a United States Post Office approved database of the owner of the cited vehicle. The second notice shall be made by first class mail postage prepaid.

- (B) No person who is the lessor of a motor vehicle pursuant to a written lease agreement shall be liable for an automated traffic law enforcement system violation involving such motor vehicle during the period of the lease; provided that upon the request of the Administrator received within one hundred twenty (120) days after the violation occurred, the lessor provides within sixty (60) days after such receipt the name and address of the lessee. The driver's license number of a lessee may be subsequently individually requested by the Administrator if needed for enforcement purposes. Upon the provision of information by the lessor, the Administrator shall issue the Violation Notice to the lessee of the vehicle in the same manner as it would issue a Violation Notice to a registered owner, and the lessee may be held liable for the violation, and all other provisions applicable to owners in this chapter shall apply to the lessee.
- (C) Before a Violation Notice is issued, a determination must be made by a technician employed or contracted by the Village that, based on the inspection of recorded images generated by the system, the motor vehicle was being operated in violation of Section 10-28-5 of this Chapter. Upon determination that the recorded image captures a violation, a Violation Notice shall be issued and served upon the registered vehicle owner in the manner provided for above. If the technician determines that the vehicle entered the intersection as part of a funeral procession or in order to yield the right-of-way to an emergency vehicle, a citation shall not be issued. The Administrator, or his/her designee, shall retain a copy of all Violation Notices, recorded images and other correspondence mailed to the registered owner of the motor vehicle. Such documents shall be kept in the ordinary course of business. Each Violation Notice and the recorded images shall constitute evidence of the facts contained in the notice, is admissible in any proceeding relative to the violation, and shall be *prima facie* evidence of a violation.
- (D) The Violation Notice shall include the following information:
- (i) the name and address of the registered owner or lessee of the vehicle, as indicated by the records of the Secretary of State, or, if such information is outdated or unattainable, then the last known address recorded in a United States Post Office approved database;
  - (ii) the make (only if discernable) and registration number of the motor vehicle involved in the violation;
  - (iii) the violation charged;

- (iv) the location where the violation occurred;
- (v) the date and time of the violation;
- (vi) a copy of the recorded images;
- (vii) the amount of the civil fine imposed and the date on which the civil fine should be paid;
- (viii) a statement that recorded images constitute *prima facie* evidence of a violation;
- (ix) a statement that a failure to pay the civil fine or to contest liability in a timely fashion is an admission of liability and may result in the suspension of driving privileges of the registered owner of the vehicle, as well as the imposition of additional penalty of \$100 for failure to pay the original fine in a timely manner;
- (x) a statement that the person may elect to proceed by paying the fine; or challenging the charge in court, by mail, or by administrative hearing;
- (xi) a statement that completion of any traffic education program, the payment of any fine, and the payment of any applicable penalty for late payment, or both, shall operate as a final disposition of the violation;
- (xii) a statement of how an administrative hearing may be requested; and
- (xiii) a website address, accessible through the Internet, where the person may view the recorded images of the violation.

10-28-7: **HEARING:**

- (A) The registered owner or lessee of a motor vehicle cited in a violation notice shall have the opportunity for a hearing in which said owner or lessee may challenge the evidence or set forth an applicable defense by filling in all relevant information on the Violation Notice and returning the same to the Administrator in a timely fashion. The Violation Notice shall be *prima facie* evidence of a violation, subject to rebuttal on the basis of applicable defenses. Formal rules of evidence will not apply at the hearing. Hearings shall be recorded, and the hearing officer shall be empowered to administer oaths and

to secure by subpoena both the attendance and testimony of witnesses and the production of relevant books and papers. Persons appearing at the hearing may be represented by counsel at their own expense. A registered owner or lessee that fails to appear at a hearing which he/she has requested will be found in default and a final determination will be entered.

- (B) The following may be considered defenses by the hearing officer for a violation of Section 10-38-5 of this chapter:
- (i) the operator of the vehicle was issued a Uniform Traffic Control Citation by a police officer for the same incident;
  - (ii) the motor vehicle or registration plates of the motor vehicle were stolen before the violation occurred and not under the control of or in the possession of the owner at the time of the violation. Provided, however, to demonstrate that the motor vehicle or the registration plates were stolen before the violation occurred and were not under the control or possession of the owner at the time of the violation, the owner must submit proof that a report concerning the stolen motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.
  - (iii) the vehicle was leased to another, and within sixty (60) days after the citation was mailed to the lessor, lessor submitted to the Village, together with a copy of the lease agreement, the lessee's driver's license number, and any additional information as may be required;
  - (iv) the vehicle was an authorized emergency vehicle;
  - (v) the operator of the vehicle passed through the intersection when the light was red in order to yield the right-of-way to an emergency vehicle or as part of a funeral procession; or,
  - (vi) the respondent was not the registered vehicle owner or lessee of the cited vehicle at the time of the violation.
- (C) Where the registered owner or lessee of the cited vehicle is not a resident of the Village, but seeks to contest the merits of the alleged violation, such person may contest the charges using the same available defenses as stated above, but rather than attend the administrative hearing, they may submit any and all documentary evidence to the Administrator. The non-resident shall send a signed statement, under oath, together with any supporting

documentation, to the Administrator *via* certified mail, return receipt requested, within ten (10) days after service of the Violation Notice. Such statement shall set forth the reasons why a finding of liability should not be entered. The Administrator shall forward all timely-submitted materials to the hearing officer for review and determination. Notice of the Hearing Officer's determination shall be sent by mail to the non-resident.

- (D) No additional fee shall be charged to an alleged violator for exercising the right to an administrative hearing.

10-28-8: **FINAL DETERMINATION OF LIABILITY:** A Final Determination of an automated traffic law violation liability shall occur under the following circumstances:

- (A) upon the failure to pay the fine or penalty after the hearing officer's determination of liability and the exhaustion of or failure to exhaust administrative review; or
- (B) where a person fails to appear at a hearing to contest the alleged violation in the time and manner specified, the hearing officer's determination shall become final upon the denial of a timely petition to set aside a determination, or upon the expiration of the period for filing the petition without a filing having been made.

10-28-9: **DETERMINATION NOTICE:** A Determination Notice shall be sent following the final determination of automated traffic law violation liability and the conclusion of judicial review. The Determination Notice shall include the following information:

- (A) a statement that the unpaid fine or penalty is a debt due and owing the Village; and
- (B) a warning that a failure to pay any fine or penalty due and owing the Village within ten (10) days may result in the filing of a petition in the Circuit Court of Cook County to have the unpaid fine or penalty rendered as a judgment or may result in the suspension of the person's driver's license for failure to pay fines or penalties for five (5) or more automated traffic law violations.

10-28-10: **PETITION TO SET ASIDE DETERMINATION:**

- (A) A Petition to Set Aside Determination of an automated traffic law violation must be filed with or mailed to the Administrator within ten (10) days of the date of mailing of the Determination Notice. The grounds for the petition are limited to:

- (i) the person was not the owner or lessee of the cited vehicle on the date of the Violation Notice was issued;
  - (ii) the person has completed the required traffic education program or paid the fine or penalty, or both, for the violation in question; or
  - (iii) excusable failure to appear at or request a new date for a hearing.
- (B) Upon receipt of a timely petition to set aside the determination of liability, the hearing officer shall review the petition to determine if cause has been shown to set aside the determination. If cause has been shown, the Administrator shall forward to the petitioner a new hearing date on which the petitioner must appear to present his case on the underlying violation. The Administrator shall notify the petitioner of the hearing officer's decision to grant a hearing or deny the petition within fourteen (14) days of the hearing officer's decision.

10-28-11: **SUSPENSION NOTICE:**

- (A) A Suspension Notice shall be sent to the person liable for failing to pay any fine or penalty that remains due and owing on five (5) or more automated traffic law violations. The Suspension Notice shall state the following information:
- (i) the failure to pay the fine or penalty owing within forty-five (45) days of the notice's date will result in the Administrator notifying the Illinois Secretary of State that the person is eligible for initiation of suspension proceedings under Section 6-306.5 of the Code; and
  - (ii) a statement that the person may obtain a photostatic copy of the original ticket imposing a fine or penalty by sending a self-addressed, stamped envelope to the Administrator along with a request for the copy.
- (B) The Suspension Notice shall be sent by first class mail, postage prepaid, to the address recorded with the Illinois Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

10-28-12: **DRIVER'S LICENSE SUSPENSION:**

- (A) The Administrator, by certified report, shall request that the Illinois Secretary

of State suspend the driving privileges of an owner of a registered vehicle or lessee who has failed to pay any fine or penalty due and owing the Village of Summit as a result of five (5) automated traffic law violations. The report shall be certified and contain the following information:

- (i) the name, last known address as recorded with the Illinois Secretary of State, as provided by the lessor of the cited vehicle at the time of lease, or as recorded in a United States post office approved database if any notice sent under this Section is returned as undeliverable, and driver's license number of the person who failed to pay the fine or penalty, and the registration number of any vehicle known to be registered to such person in the State of Illinois;
  - (ii) the name of the municipality making the report;
  - (iii) a statement that a Suspension Notice has been sent to the person named in the report at the address recorded with the Illinois Secretary of State or at the last address known to the lessor of the cited vehicle at the time of the lease or, if any notice is returned as undeliverable, at the last known address recorded at a United States Post office approved database; the date on which such notice was sent; and address to which such notice was sent; and,
  - (iv) an unique identifying reference number for each request of suspension.
- (B) The Administrator shall notify the Illinois Secretary of State whenever a person named in the certified report has paid the previously recorded fine or penalty or whenever the Village determines that the original report was in error. A certified copy of such notification shall also be given to the person named therein upon request and at no additional charge.

**10-28-13: CHALLENGING THE ACCURACY OF A CERTIFIED REPORT:**

- (A) If the Administrator provides a Suspension Notice and subsequently makes a certified report to the Illinois Secretary of State, the vehicle owner may challenge the accuracy of the certified report in writing.
- (B) The vehicle owner shall submit to the Administrator a written statement under oath, together with any supporting documentation, establishing one of the following grounds for challenging the accuracy of the certified report:

- (i) that the person was not the owner or lessee of the subject vehicle or vehicles receiving five (5) or more automated traffic law violations on the date or dates such violation notices were issued; or
  - (ii) that the person already paid the fine or penalty owing as indicated on the certified report.
- (C) A statement challenging the accuracy of a certified report shall be sent to the Administrator by certified mail, return receipt requested, or hand-delivered to the Administrator within five (5) days after the person receives notice from the Illinois Secretary of State that the person's driver's license will be suspended at the end of a specified period of time unless the secretary is presented with notice from the Village certifying that the traffic education program or that the fines or penalties due and owing, or both, have been satisfied or that the inclusion of the person's name on the certified report was in error.

10-28-14: **PENALTY:**

- (A) Any person violating Section 10-28-5 of this chapter shall be fined \$100 for each offense.
- (B) If a person fails to request a hearing and does not otherwise pay the applicable fine indicated in the Violation Notice by the date specified, or fails to pay the original fine within twenty-five (25) days after an administrative hearing, an additional penalty of \$100 will be automatically assessed against the violator.

**Section 2**

This chapter shall be implemented through Title X, Traffic, Chapter 15, Penalties and Procedures on Tickets, Section 10-15-3, Administrative Adjudication of Vehicular Standing, Parking and Compliance Violations. Provided, however, in the event that a procedural provision of this chapter conflicts with a procedural provision of Section 10-15-3, the procedural provision set forth in this chapter shall control.

**Section 3**

If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity thereof shall not affect any of the other provisions of this ordinance.

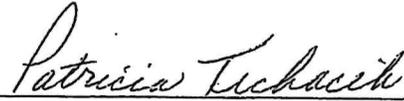

Section 4

All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed insofar as they conflict herewith.

Section 5

This ordinance shall be immediately in full force and effect after passage, approval and publication. This ordinance is authorized to be published in pamphlet form.

This ordinance was passed and deposited in the office of the Village Clerk this 6<sup>th</sup> day of May 2013.

**ORDINANCE NO. 13-O-06A**

**AN ORDINANCE AMENDING TITLE X, TRAFFIC, CHAPTER 28,  
TRAFFIC LAW ENFORCEMENT SYSTEMS, SECTION 10-28-6,  
VIOLATION NOTICE, OF THE VILLAGE CODE OF THE VILLAGE  
OF SUMMIT**

BE IT ORDAINED by the Mayor and Board of Trustees of the Village of Summit, Cook County, Illinois, as follows:

**Section 1**

That Title X, Traffic, Chapter 28, Traffic Law Enforcement Systems, of the Village Code of the Village of Summit, be amended by changing Section 10-28-6, Violation Notice, to read as follows:

**10-28-6: VIOLATION NOTICE:**

- (A) When the automated traffic law enforcement system records a motor vehicle violating Section 10-28-5 of this Chapter, the Administrator shall issue a written Violation Notice to the registered owner of the vehicle, which shall be delivered by U.S. mail within thirty (30) days after the Illinois Secretary of State notifies the Village of the identity of the registered owner of the vehicle, and in no event later than ninety (90) days following the violation. If any notice to an addressee is returned as undeliverable, a second notice shall be sent to the last known address recorded in a United States Post Office approved database of the owner of the cited vehicle. The second notice shall be made by first class mail postage prepaid.
- (B) No person who is the lessor of a motor vehicle pursuant to a written lease agreement shall be liable for an automated traffic law enforcement system violation involving such motor vehicle during the period of the lease; provided that upon the request of the Administrator received within one hundred twenty (120) days after the violation occurred, the lessor provides within sixty (60) days after such receipt the name and address of the lessee. The driver's license number of a lessee may be subsequently individually requested by the Administrator if needed for enforcement purposes. Upon the provision of information by the lessor, the Administrator shall issue the Violation Notice to the lessee of the vehicle in the same manner as it would issue a Violation Notice to a registered owner, and the lessee may be held liable for the violation, and all other provisions applicable to owners in this chapter shall apply to the lessee.

(C) Before a Violation Notice is issued, a determination must be made by a technician employed or contracted by the Village that, based on the inspection of recorded images generated by the system, the motor vehicle was being operated in violation of Section 10-28-5 of this Chapter. Upon determination that the recorded image captures a violation, a Violation Notice shall be issued and served upon the registered vehicle owner in the manner provided for above. If the technician determines that the vehicle entered the intersection as part of a funeral procession or in order to yield the right-of-way to an emergency vehicle, a citation shall not be issued. The Administrator, or his/her designee, shall retain a copy of all Violation Notices, recorded images and other correspondence mailed to the registered owner of the motor vehicle. Such documents shall be kept in the ordinary course of business. Each Violation Notice and the recorded images shall constitute evidence of the facts contained in the notice, is admissible in any proceeding relative to the violation, and shall be *prima facie* evidence of a violation.

(D) The Violation Notice shall include the following information:

- (i) the name and address of the registered owner or lessee of the vehicle, as indicated by the records of the Secretary of State, or, if such information is outdated or unattainable, then the last known address recorded in a United States Post Office approved database;
- (ii) the make (only if discernable) and registration number of the motor vehicle involved in the violation;
- (iii) the violation charged;
- (iv) the location where the violation occurred;
- (v) the date and time of the violation;
- (vi) a copy of the recorded images;
- (vii) the amount of the civil fine imposed and the date on which the civil fine should be paid;
- (viii) a statement that recorded images constitute *prima facie* evidence of a violation;
- (ix) a statement that a failure to pay the civil fine or to contest liability in a timely fashion is an admission of liability and may result in the

suspension of driving privileges of the registered owner of the vehicle, as well as the imposition of additional penalty of \$100 for failure to pay the original fine in a timely manner;

- (x) a statement that the person may elect to proceed by paying the fine; or challenging the charge by mail or in person at an administrative hearing;
- (xi) a statement that the payment of any fine, and the payment of any applicable penalty for late payment, shall operate as a final disposition of the violation;
- (xii) a statement indicating the date and time of the administrative hearing; and
- (xiii) a website address, accessible through the Internet, where the person may view the recorded images of the violation.

## **Section 2**

If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity thereof shall not affect any of the other provisions of this ordinance.

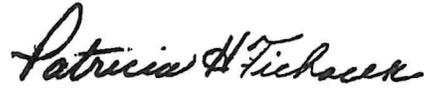

## **Section 3**

All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed insofar as they conflict herewith.

## **Section 4**

This ordinance shall be immediately in full force and effect after passage, approval and publication. This ordinance is authorized to be published in pamphlet form.

This ordinance was passed and deposited in the office of the Village Clerk this 6th day of May 2013.
